On receipt of this application and your payment, the Membership Secretary will send a membership card for each applicant named above. Cards should be signed and presented at the Eastgate Theatre box office to reserve seats for all seven concerts.

OPTIONAL DONATION to Music in Peebles Piano Fund

Music in Peebles is the proud owner of a magnificent Steinway Grand Piano, which has been delighting our audiences and performers since 1988. In order that we can continue to enjoy an instrument of the highest quality at our concerts in years to come, Music in Peebles has a Piano Fund, with which we aim to provide for the eventual replacement of the present piano.

Any donation you are able to give to the Piano Fund will help to ensure that another high quality instrument can be obtained when the time comes. Please do consider adding a donation to your subscription and, if you are a UK taxpayer, please also consider indicating that you wish your donation to qualify for Gift Aid by ticking the box below. This will allow us to reclaim tax, further increasing the value of your donation.

Your support will be very much appreciated and will help us to go on bringing the very best chamber music and musicians to Peebles

Please treat my gift as a Gift Aid donation

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference.

Legacies to Music in Peebles

Please also consider remembering Music in Peebles in your Will. As we are a Registered Charity (SC006906), bequests are free of Inheritance Tax. A legacy, either to the Piano Fund or to general reserves, will help to safeguard the provision of top quality live chamber music for future generations.

Please tick the box if you would like us to send you further information about this.

Thank you
