## Music in Peebles Piano Fund

**Music in Peebles** is the proud owner of a magnificent Steinway Grand Piano, which has been delighting our audiences and performers since 1988. In order that we can continue to enjoy an instrument of the highest quality at our concerts in years to come, Music in Peebles has a Piano Fund, with which we aim to provide for the eventual replacement of the present piano. Any donation you are able to give to the Piano Fund will help to ensure that another high quality instrument can be obtained when the time comes.

## Music in Peebles needs your help!

We all benefit from the help provided by volunteers, which helps to keep costs down and allows more of our money to be spent on top quality musicians. Please let us know if you can help with the following.

Provide hospitality for performers (B&B, supper)

Provide transport for performers (eg to/from Edinburgh)

Provide help at fund-raising events

## Legacies to Music in Peebles

Please also consider remembering Music in Peebles in your Will. As we are a Registered Charity (SC048944), bequests are free of Inheritance Tax. A legacy, either to the Piano Fund or to general reserves, will help to safeguard the provision of live chamber music for future generations.

Please tick the box if you would like us to send you further information about this.

The information you provide will be recorded by Music in Peebles and the Eastgate Theatre. Music in Peebles will use it to send you:
